

International Interdisciplinary Conference **Work, Age, Health and Employment - Evidence from Longitudinal Studies (WAHE2016)**, University of Wuppertal, Germany
 Programme Day 1 (Monday, 19 September 2016)

10:00 - 18:00	Registration		
	Foyer of the Conference Venue		
12:00 - 13:00	Lunch Buffet		
Time schedule	Meeting Room 1		
12:30 - 13:30	Welcome: JB du Prel, Dr. (Conference Vice-Chair), CH Nygård, Prof. (ICOH-representative), A Rauch (IAB-representative), LT Koch, Prof. (Rector BUW), HM Hasselhorn, Prof. (Conference Chair)		
13:30 - 13:50	Opening Lecture Part 1: U Walwei, Dr. - IAB-representative, Germany <i>"Old is beautiful – changes in the age composition of employment"</i>		
13:50 - 14:10	Opening Lecture Part 2: L Adolph, Dr. - BAuA, Germany <i>"Work tomorrow"</i>		
14:10 - 14:40	Opening Speech: K Hensens, Prof. - University of Amsterdam, NL <i>"Ageing workers in an ageing society: Labour force transitions and work in late life"</i>		
	Foyer of the Conference Venue		
14:40 - 15:15	Coffee Break		
	Meeting Room 1	Meeting Room 2	Poster Viewing Part I
15:15 - 16:45	Special Session	Scientific Session	Special Session
	Cohort studies on work & retirement, Part I	Human resource management, Part I	Work & retirement, TUCIC, national micro perspectives
	Opening/ Chair: S van den Heuvel, Dr. - TNO, NL <i>STREAM – evidence from a work and retirement cohort</i> Co-Chair: M Goldberg, Prof. - INSERM, Villejuif, France	Chair: K Hensens, Prof. - Univ. of Amsterdam, NL Co-Chair: P Kiss, Dr. - Securex, Ghent, Belgium	Chair: D Hofäcker, Prof. - Univ. of Duisburg-Essen, Germany Co-Chair: S König, Dr. - University of Gothenburg, Sweden
	Presenting author:	Presenting author:	Presenting author:
	M Scharn <i>Predicting working beyond retirement in the Netherland: an interdisciplinary approach involving occupational health and economics</i>	P Kiss, Dr. <i>Is social capital related to need for recovery and work ability in an ageing workforce?</i>	S König, Dr. <i>The relationship between retirement and educational health differences</i>
	M Wahrendorf, Dr. <i>What can Life History Data and Sequence Analyses offer to Cohort Studies? Results from SHARE.</i>	E Lilic <i>Ageing Workforce: Injury Prevention and Management</i>	D Zanker <i>The Timing of Retirement and the Reasons Behind it</i>
	J Banks, Prof. <i>Collecting multidisciplinary data on the over 50s in England. Fifteen years of experience from the English Longitudinal Study of Ageing</i>	M Stattin, Prof. <i>When to retire? A study of retirement preferences in the health care sector in northern Sweden.</i>	G Dalla Nora <i>Women and retirement in Italy: a light pink social security framework</i>
	M Goldberg, Prof. <i>GAZEL, a cohort for occupational epidemiology</i>		R Borges <i>Labour market participation among European older workers. Employment, unemployment and quality of life</i>
	Foyer of the Conference Venue		
16:45 - 17:15	Coffee Break		
	Meeting Room 1	Meeting Room 2	Poster Viewing Part I
17:15 - 18:45	Special Session	Scientific Session	Special Session
	Cohort studies on work & retirement, Part II	Human resource management, Part II	Work & retirement, TUCIC, international micro perspectives
	Opening/ Chair: H Jürges, Prof. - BUW, Germany <i>Comparing work and retirement across borders - evidence from SHARE</i> Co-Chair: K Nilsson, Dr. - Lund University, Sweden	Chair: M Stattin, Assoc. Prof. - Umeå University, Sweden Co-Chair: E Lilic - Auckland, New Zealand	Opening/ Chair: D Hofäcker, Prof. - Univ. of Duisburg-Essen, Germany <i>Globalisation and occupational life courses</i> Co-Chair: S Braun - Univ. of Duisburg-Essen, Germany
	Presenting author:	Presenting author:	Presenting author:
	DJH Deeg, Prof. <i>Healthy ageing and workforce participation in the Netherlands: the Longitudinal Aging Study Amsterdam</i>	C Hunkler, Dr. <i>Age and Labor Productivity in the Services: Evidence from Big Data</i>	D Hofäcker, Prof. <i>The shift from early exit to active ageing in European societies: Towards a better integration of older workers or the re-emergence of old inequalities?</i>
	S König, Dr. <i>The Health, Aging and Retirement Transitions in Sweden (HEARTS) study: Rationale and preliminary results from baseline data</i>	F Kudász, Dr. <i>Disease effect on the workability among ageing Hungarian workers</i>	S Braun <i>Workplace conditions and retirement intentions: A cross-cultural comparison between modern European & Asian countries</i>
	S Ramos, Prof. <i>AGE-Monitoring and managing health and age at work</i>	R Schalk, Prof. <i>What are the effects of demotion on job satisfaction and feelings of exhaustion?</i>	F Hanemann <i>Untangling the Effects of Retirement on Health & Wellbeing</i>
	S Tophoven <i>lida - German cohort study on work, age and health. A new two-wave panel dataset for the Scientific Community</i>		
	Meeting Room 1		
18:45 - 19:15	Keynote: J Banks, Prof. - Institute f. Fiscal Studies, London, UK <i>"The role of financial factors for employment of older workers – evidence from the ELSA cohort"</i>		
	Foyer of the Conference Venue		
19:15 - 21:00	Get together		
	Opening: D Borchart, MSc (Wahe2016 Coordination) - BUW, Germany		
	(Please notice, last bus to the city center will leave at 8:10 p.m.)		

International Interdisciplinary Conference **Work, Age, Health and Employment - Evidence from Longitudinal Studies (WAHE2016)**, University of Wuppertal, Germany
 Programme Day 2 (Tuesday, 20 September 2016) - Morning

8:00 - 16:00	Registration		
Time schedule	Meeting Room 1		
8:20 - 8:30	Daily Opening: A Rauch (IAB-representative) - IAB, Nuremberg, Germany		
8:30 - 8:55	Keynote: U Bültmann, Prof. - University of Groningen, NL <i>"The life course in quantitative research on work transitions"</i>		
8:55 - 9:20	Keynote: A Ni Leime, Dr. - Department of Sociology, Case Western Reserve University, Cleveland, USA <i>"The life course in qualitative research on work and retirement"</i>		
	Foyer of the Conference Venue		
9:20 - 9:30	<i>Coffee Break</i>		
9:30 - 11:00	Meeting Room 1	Meeting Room 2	Meeting Room 3
	Scientific Session	Scientific Session	Special Session
	<i>Work, health & work participation</i> Chair: A Rauch - IAB, Nuremberg, Germany Co-Chair: A Pohrt - BAuA, Berlin, Germany	<i>Life course approaches in retirement research</i> Chair: U Bültmann, Prof. - University of Groningen, NL Co-Chair: A Ni Leime - Case Western Reserve University, Cleveland, USA	<i>Work & retirement, TUCIC, macro perspectives</i> Chair: D Hofäcker, Prof. - Univ. of Duisburg-Essen, Germany Co-Chair: G Naegele, Prof. - University of Dortmund, Germany
	<u>Presenting author:</u>	<u>Presenting author:</u>	<u>Presenting author:</u>
	A Pohrt <i>Work factors and their association with labour market participation</i>	G Henning <i>"But I Wanted to Stay!": The Role of Adaptive Strategies and Personality in Involuntary Retirement</i>	B Ebbinghaus <i>The reversal of early exit from in aging societies: going beyond static regimes with temporal fuzzy set analysis</i>
	M Härmä, Prof. <i>Shift work, health, work ability and retirement intentions: a prospective study of hospital workers with objective exposure data</i>	A-J Riekhoff <i>Retirement trajectories in Finland: Institutional exit pathways, working-life events, and the role of firm-level conditions</i>	P Frericks <i>The development of non-employment-related entitlements to pension rights in Europe. An institutional analysis</i>
	J Blomgren <i>Unemployment vs. sickness absence as predictors of disability pension: a follow up of working-aged Finns</i>	S Schmiederer <i>Personal dispositions and their impact on leaving the workforce earlier</i>	J Bauknecht <i>Latest developments of retirement policies in Europe and effects on older worker employment rates: News from the MoPACT project</i>
	P Ilmakunnas, Prof. <i>Health, retirement and anticipated retirement</i>		Meike Bucker <i>Institutional determinants of (long-term) unemployment 50+ - A fuzzy-set analysis</i>
	Foyer of the Conference Venue	Meeting Room 2	Meeting Room 3
11:00 - 11:30	<i>Coffee Break</i>		<i>Brown Bag Session I (Chair: N Loia , Dr.)</i>
	Meeting Room 1	Meeting Room 2	Meeting Room 3
11:30 - 13:00	Scientific Session	Scientific Session	Special Session
	<i>Work, age & health in specific occupational groups</i> Chair: CH Nygård, Prof. - University of Tampere, Finland Co-Chair: H Bauer, Dipl.-Psych. - University Hospital of Munich, Germany	<i>Social inequality</i> Chair: N Dragano, Prof. - University of Düsseldorf, Germany Co-Chair: M Laaksonen, Dr. - Social Insurance Institution of Finland	<i>Lifecourse influence on extended working lifespans</i> Chair: M Wahrendorf, Dr. - University of Düsseldorf, Germany Co-Chair: T Chandola, Prof. - University of Manchester, UK
	<u>Presenting author:</u>	<u>Presenting author:</u>	<u>Presenting author:</u>
	H Bauer <i>Age, biological aging, and occupational stress in helicopter emergency medical services pilots</i>	H Burr, Dr. <i>Does age modify the association between social class and the incidence of poor general health</i>	M Hyde, Dr. <i>Lifelong learning and labour market exit in later life: Special session on lifecourse influences on extended working lives</i>
	T Yang, Dr. <i>What makes medical staffs from public hospitals to Private hospitals?</i>	M Laaksonen, Dr. <i>Socioeconomic differences in working lives lost due to disability retirement</i>	P Zaninotto, Dr. <i>Work and family life history in relation to extended working lives: findings from the English Longitudinal Study of Ageing</i>
	T Cotrim <i>Psychosocial work environment among portuguese municipal workers: preliminary results</i>	A Santosa <i>Inequality trends of disability-free life expectancy among European older population: a cross-country comparison</i>	M Wahrendorf, Dr. <i>Early adversity and late life employment history - a sequence analysis based on SHARE</i>
	P E M Ebrahemzadih <i>Assessment of factors affecting safety culture in steel industry workers</i>	M Wetzel, Dr. <i>Differential Effects of Retirement on Life Satisfaction: The Role of Education and Last Labor Market Status</i>	A de Wind, Dr. <i>A life course perspective on working beyond retirement - Results from a longitudinal study in the Netherlands</i>
			T Chandola, Prof. <i>Retirement and the socio-economic gradient in cortisol: Evidence from the Whitehall II study of civil servants</i>
	Foyer of the Conference Venue		
13:00 - 13:45	<i>Lunch Buffet</i>		<i>Poster Viewing Part II</i>

International Interdisciplinary Conference **Work, Age, Health and Employment - Evidence from Longitudinal Studies (WAHE2016)**, University of Wuppertal, Germany
 Programme Day 2 (Tuesday, 20 September 2016) - Afternoon

Time schedule	Meeting Room 1		
13:45 - 14:15	Keynote: A Burdorf, Prof. - Erasmus University Rotterdam, NL <i>"The challenges of assessing change in quantitative research"</i>		
Foyer of the Conference Venue			
14:15 - 14:30	<i>Coffee Break</i>		<i>Poster Viewing Part II</i>
14:30 - 16:00	Meeting Room 1	Meeting Room 2	Meeting Room 3
	Scientific Session	Scientific Session	Special Session
	Work & health challenges for cohort studies, Part I	Measuring change	Occupational Rehabilitation
	Opening/ Chair: R Rugulies, Prof. - NRCWE, Copenhagen, Denmark <i>Work and health – challenges for cohort studies</i> Co-Chair: S van den Heuvel, Dr. - TNO, NL	Chair: A Burdorf, Prof. - Erasmus University Rotterdam, NL Co-Chair: N Dragano, Prof. - University of Düsseldorf, Germany	Chair: S Tophoven - IAB, Nuremberg, Germany Co-Chair: M Bethge, Prof. - University of Lübeck, Germany
	<i>Presenting author:</i>	<i>Presenting author:</i>	<i>Presenting author:</i>
	IEH Madsen, Dr. <i>A job exposure matrix for psychosocial and ergonomic working conditions: performance and applications to life course research</i>	XS Dong, Dr. <i>Health determinants of work limitations among older construction workers in the United States – a longitudinal study</i>	M Bethge, Prof. <i>Self-reported work ability predicts rehabilitation events and disability pensions</i>
	C Stallmann <i>Obesity under employees of the lidA-study – Results of a linkage with primary and claims data</i>	M Fleischmann, Dr. <i>Towards retirement: Employability to explain heterogeneity in older workers' labour market pathways in the Netherlands?</i>	M Streibel, Dr. <i>Influence of local job market on the success of vocational retraining</i>
	M van der Noordt <i>Working life expectancy calculations in poor and good functional health among Dutch 55- to 65-year olds</i>	T Lallukka <i>Changes in organisational injustice and changes in insomnia symptoms: using observational data as non-randomized pseudo-trials</i>	M Bethge, Prof. <i>Effects of wage subsidies on employment: findings from a propensity score matched analysis</i>
	L Romeu Gordo, Dr. <i>Defining the right work contents: Are we making older workers (un)happy at work?</i>	T Lallukka <i>Early work-related physical exposures and low back pain in midlife: The Cardiovascular Risk in Young Finns Study</i>	N Reims <i>The Search for Appropriate Comparison Groups in Evaluating Further Training Measures in Occupational Rehabilitation of Disabled People</i>
		S Neupane, Dr. <i>Developmental trajectories of multisite musculoskeletal pain from midlife to old age among women and men</i>	
		K.C. Prakash <i>Interaction of work related biomechanical and psychosocial exposures in midlife as predictor of ADL disability in later life</i>	
Foyer of the Conference Venue			
16:00 - 16:30	<i>Coffee Break</i>		<i>Poster Viewing Part II</i>
16:30 - 18:00	Meeting Room 1	Meeting Room 2	Meeting Room 3
	Scientific Session	Scientific Session	Special Session
	Work & health challenges for cohort studies, Part II	Gender	Are retirement ages still on the rise in the North?
	Chair: H Burr, Dr. - BAuA, Berlin, Germany Co-Chair: A de Wind, Dr. - VU University Medical Center, Amsterdam, NL	Opening/ Chair: I Mairhuber, Dr. - Forba, Vienna, Austria <i>Gendered life course and retirement</i> Co-Chair: JB du Prel, Dr. - BUW, Germany	Chair: R Mykletun, Prof. - University of Stavanger, Norway Co-Chair: K Nilsson, Dr. - Lund University, Sweden
	<i>Presenting author:</i>	<i>Presenting author:</i>	<i>Presenting author:</i>
	M Goldberg, Prof. <i>Long-term impact of occupational factors on aging in the French GAZEL cohort</i>	JB du Prel, Dr. <i>How to explain gender-specific differences in intentions to retire early? - Results of the lidA cohort study</i>	K Nilsson <i>Is age and ageing important for extending working life? Conceptualisation of ageing in relation to factors in working life</i>
	Hermann Burr, Dr. <i>Does age modify the association between work environment and the incidence of poor general health?</i>	R Kadefors, Prof. <i>Gender and work life exits</i>	R Arman, Dr. <i>Collaborative research for Age Management - For Special session "Are retirement ages still on the rise in the North?"</i>
	L Alfredsson, Prof. <i>Job strain and risk of atrial fibrillation. Results from the Swedish WOLF study</i>	E Lahelma, Prof. <i>Occupational class trajectories in physical health functioning among ageing female employees</i>	R Mykletun, Prof. <i>Rising average retirement age – a successful case</i>
	I Hansson <i>Life satisfaction in different stages of the retirement transition: initial findings from the HEARTS study</i>	D Borchart <i>The interplay of work-privacy conflicts, health and work ability in older employees. Does gender make a difference?</i>	Per E Solem, Prof. <i>Changes in preferred retirement age</i>
			K Nilsson <i>Has the older employees in the workforce increased? Study of the total Swedish population regarding exit from working life</i>
'Uni-Kneipe' - Main Campus University of Wuppertal			
19:30 - 22:00	Social dinner		

International Interdisciplinary Conference **Work, Age, Health and Employment - Evidence from Longitudinal Studies (WAHE2016)**, University of Wuppertal, Germany
 Programme Day 3 (Wednesday, 21 September 2016)

8:00 - 12:00	Registration		
Time schedule	Meeting Room 1		
8:20 - 8:30	Daily Opening: JB du Prel, Dr. (Conference Vice-Chair) - BUW, Wuppertal, Germany		
	Meeting Room 1	Meeting Room 2	Meeting Room 3
	Scientific Session	Scientific Session	Scientific Session
	After retirement	Cross-national Assessment	National policy
8:30 - 10:00	Opening/Chair: S Scherger, Prof. - University of Bremen, Germany <i>Paid work beyond pension age in Germany and the UK. Quantitative and qualitative evidence</i> Co-Chair: DJH Deeg, Prof. - VU University Medical Centre, Amsterdam, NL	Opening/Chair: M Hyde, Dr. - University of Manchester, UK <i>Cross-national epidemiological assessments –opportunities and challenges</i> Co-Chair: M Härmä, Prof. - Finnish Institute of Occupational Health	Chair: T Leinonen, Dr. - University of Helsinki, Finland Co-Chair: Ida Madsen, Dr. , NRCWE, Copenhagen, Denmark
	<u>Presenting author:</u>	<u>Presenting author:</u>	<u>Presenting author:</u>
	DJH Deeg, Prof.	J Bauknecht, Dr.	T Leinonen, Dr.
	<i>Working beyond age 65 in the Netherlands: the Longitudinal Aging Study Amsterdam</i>	<i>Working conditions and retirement: how important are HR policies in prolonging working life?</i>	<i>Health as a predictor of early retirement before and after introduction of a flexible statutory pension age in Finland</i>
	R Sewdas	G Vermeylen	Cheikh Al Khalifa Aboubacar Cisse, Dr.
	<i>Why older workers work beyond the retirement age: a qualitative study</i>	<i>Sustainable work over the life course for women and men in Europe</i>	<i>Promotion of age management in developing countries</i>
	S Stenholm, Dr.	Sophie Psihoda	C Ardito
	<i>Changes in physical activity during transition to retirement: a cohort study</i>	<i>Retirement Pathways – Evidence from a cross-national study in 13 European countries</i>	<i>The effect of Italian pension reforms on male workers' health.</i>
	L Platts, Dr.		S Bartel
	<i>Predictors of returns to work following retirement: A prospective analysis of Germany, Russia and the United Kingdom</i>		<i>Exit from Work: Determinants of Illness-related Disruptions in Professional Life and Processes of Reorientation</i>
	Foyer of the Conference Venue		
10:00 - 10:15	Coffee Break		
	Meeting Room 1		
10:15 - 10:45	Keynote: H Westerlund, Prof. - University of Stockholm, Sweden		<i>'Work, health and retirement'</i>
10:45 - 11:00	Opening Speech: HM Hasselhorn, Prof. & M Ebener - BUW, Germany <i>'Research challenges'</i>		
11:00 - 12:30	Panel discussion: HM Hasselhorn, Prof. (Conference Chair) - BUW, Wuppertal		
12:30 - 12:45	Closing words: HM Hasselhorn, Prof. (Conference Chair) - BUW, Wuppertal		
	Foyer of the Conference Venue		
12:45 - 13:15	Lunch Buffet
